**QUOTABLE QUOTES:** Please choose one to use in your log.

*"She thinks to dance with me on my wife's grave! And well she might, for I thought of her softly. God help me, I lusted, and there is a promise in such sweat. But it is a whore's vengeance, and you must see it."* –John Proctor, Act 3

*"There is a misty plot afoot so subtle we should be criminal to cling to old respects and ancient friendships."*  
–Reverend Hale, Act 2

*"And mark this. Let either of you breathe a word, or the edge of a word, about the other things, and I will come to you in the black of some terrible night and I will bring a pointy reckoning that will shudder you. And you know I can do it; I saw Indians smash my dear parents' heads on the pillow next to mine and I have seen some reddish work done at night, and I can make you wish you had never seen the sun go down!"* –Abigail, Act 1

*"This is a sharp time, now, a precise time – we live no longer in the dusky afternoon when evil mixed itself with good and befuddled the world. Now, by God's grace, the shining sun is up, and them that fear not light will surely praise it."*  
–Danforth, Act 3

Once the initial student account with profile\* is complete, you will only need to log into your account to see the class, or classes, in which you are enrolled. If you are enrolled in multiple Turnitin classes, you will need a class ID# and enrollment password for each class, in order to add the classes to your Turnitin account. Once you are enrolled in each class, you do not need that class ID and password again.

**Warning:** Each student profile must be assigned a unique e-mail address in the Turnitin system. Students who have previously created a Turnitin profile will need to log in with the e-mail address and password that was originally set for the user profile. Creating duplicate accounts with duplicate class enrollments can cause issues.
